World Championship Camouflage

The spectacular art of making a model disappear into the environment returns to the beautiful streets of Sterzing/Vipiteno. This category continues to attract some of the world's most talented bodypainters and remains one of the highlights of the festival - **World Championship in Camouflage** sponsored by **KRYOLAN**.

NEW: World Championship Facepainting

For the first time in Italy, artists can compete in the **World Championship Facepainting**, proudly sponsored by **SUPERSTAR**.

Theme: Spiritual Guardians

A celebration of sacred protectors, inner strength, and unseen forces. Artists are invited to create designs inspired by ancestral spirits, mythological beings, animal totems, and divine energies that guide and empower us. Whether your interpretation is ancient or futuristic, subtle or bold, we look forward to seeing your vision come to life.

Thank You to Our Sponsors

These championships would not be possible without the support of our amazing partners:
