Dear Bodypainting Community,

Autumn is here— and with it, exciting highlights for our global bodypainting family!

From Helsinki to the virtual stage and all the way to Spain, the next months are filled with creativity, color, and connection.

Let's celebrate the art of bodypainting together — on-site, online, and worldwide!

WBF Creative Hotspots 2025

bodypainting-festival.com

Create from Home or Join a WBF Creative Hotspot

During the WBF Online Awards, artists across the globe can choose to create from home or join small gatherings in studios, creative spaces, or even outdoors — these are our WBF Creative Hotspots!

We love showcasing these vibrant communities during the live broadcast when announcing results.

Would you like to host a WBF Creative Hotspot in your city? It's a fantastic way to connect artists and celebrate creativity together.

Thank you for joining us on this vibrant journey!

As we head into **WBF Finland**, look forward to the **Online Awards 2025** connecting artists around the world, and prepare for the **World Championships in Águilas, Spain 2026**, we're entering an inspiring new season full of creativity and color.

Wherever you are — performing live, competing online, or creating together at a Creative Hotspot — **let's keep spreading art, passion, and imagination across the globe.**

With colorful greetings,
**Your World Bodypainting Association &
World Bodypainting Festival Team**
